The Ultimate Sacrifice

The sky was still dark when the old patriarch clearly heard God speak. "Abraham, ... Take now thy son, thine only son Isaac, whom thou lovest, and get thee into the land of Moriah and offer him there for a burnt offering upon one of the mountains which I will tell thee of." Genesis 22:1, 2.

Abraham began to tremble when he considered the staggering consequences of this command. God had promised that through Isaac he would father a mighty nation. All of Abraham's hopes and dreams were set upon this miracle son given to him and Sarah in their old age. He didn't understand why God was asking him to do this strange act, but he had learned to trust and obey his heavenly Father, even when perplexed.

So Abraham gently awakened young Isaac and two trusted servants, and the small company began the three-day trip to Moriah. As they neared the mountain of sacrifice, Abraham instructed his servants to wait for him and Isaac to return. Then he placed the wood on his son's back, and together they started up the mountain.

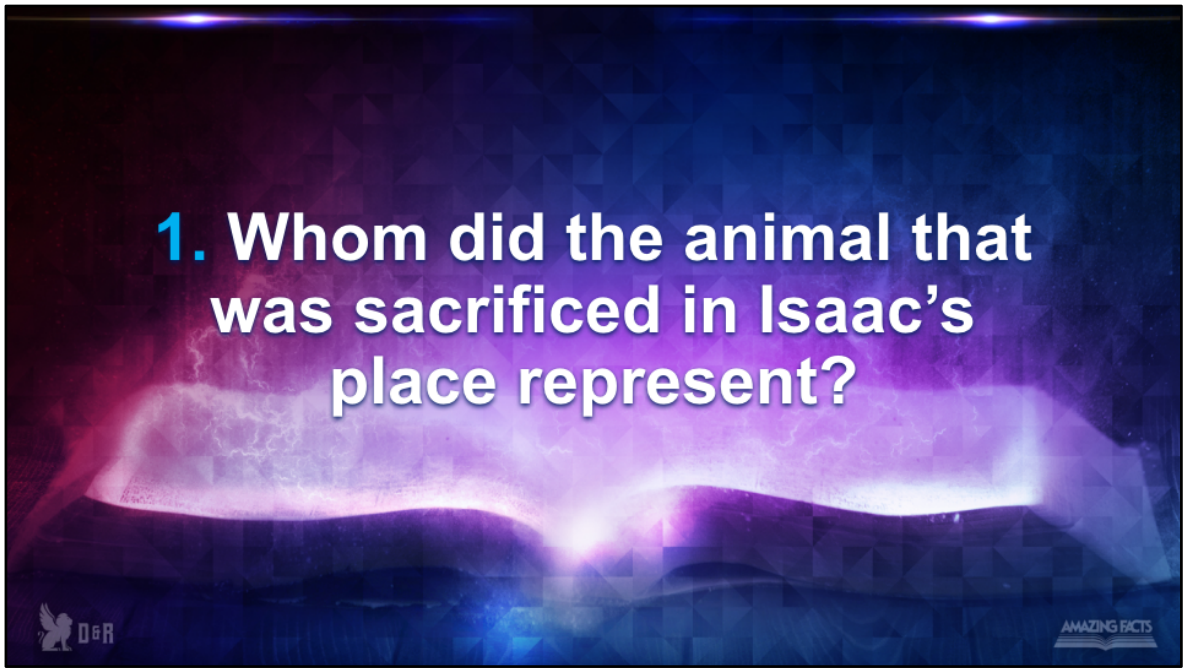

Sensing that something was wrong, Isaac said, "Father, we have what we need to start a fire and the wood: but where is the lamb for a burnt offering?" Abraham replied, "My son, God will provide Himself a lamb for a burnt offering."

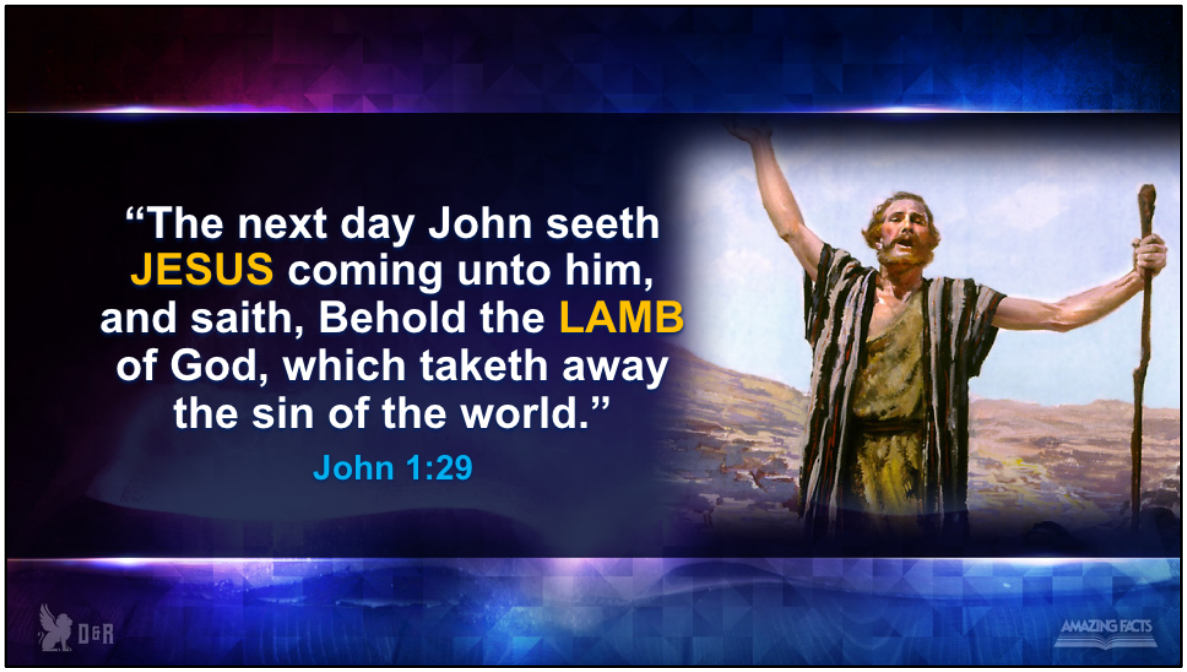

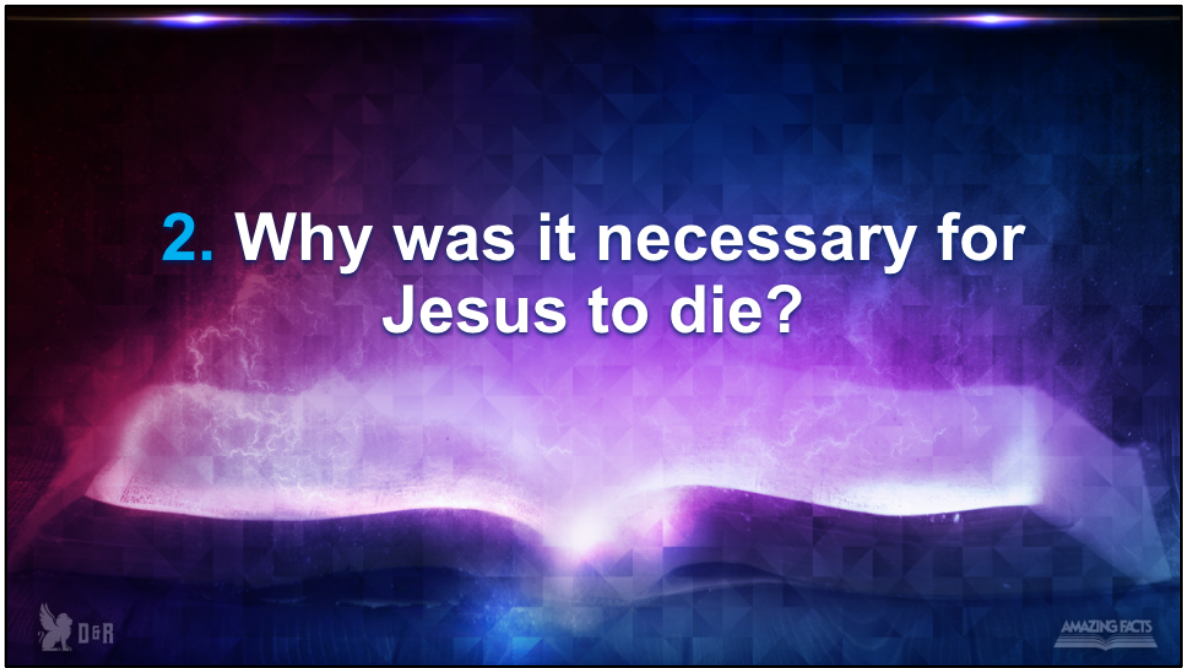

When they reached the top, Abraham tearfully explained the reason for their mission. Willingly Isaac submitted to God's command. After the last embrace, the father tenderly bound his son and laid him upon the rock altar. Abraham raised the knife, but suddenly he was stopped by an angel and directed to sacrifice instead a wild ram that was trapped by its horns in a nearby thorn-bush.

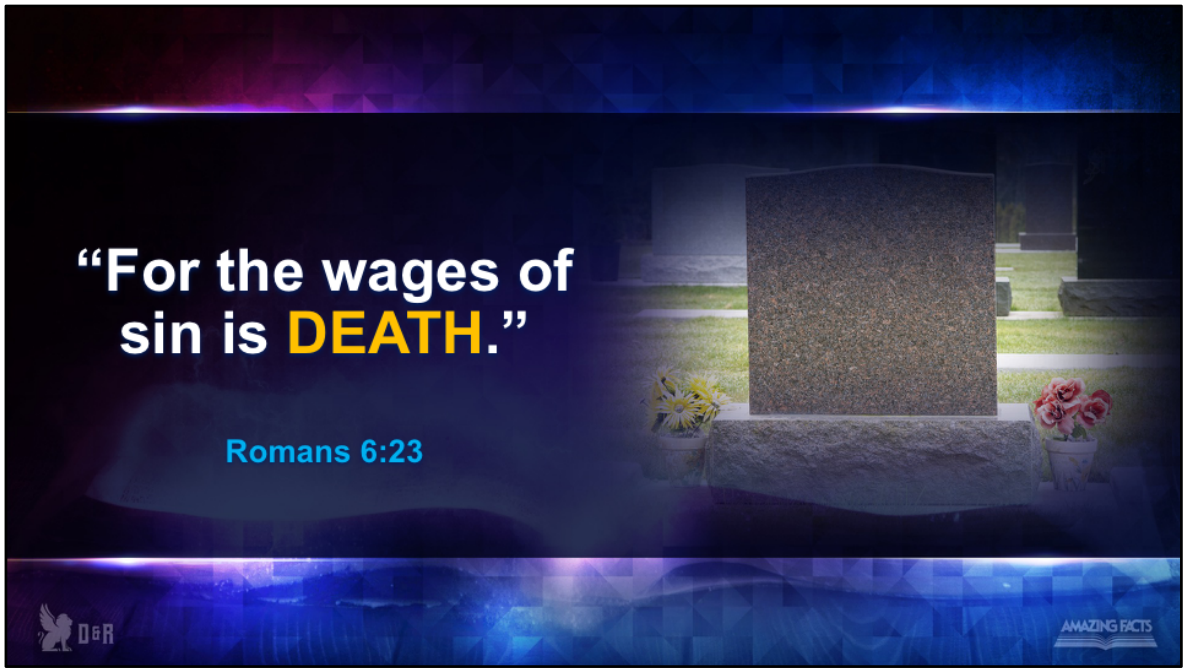

This moving story was not the only time a father had to make a painful decision to sacrifice his beloved son.

AMAZING FACTS

William Pooley, the British nurse who was cured of the Ebola, has been flown to America on a life-saving mission to give blood to a new victim of the deadly virus.
Mr. Pooley has travelled to Atlanta for an emergency blood transfusion which could save the life of a doctor who contracted the disease while working in Sierra Leone.
The 29-year-old, who became the first Briton to contract Ebola, could help the US victim fight off the virus because his blood carries antibodies for the disease, the *Evening Standard* reports.
Mr. Pooley was put on a flight on Friday night, paid for by the World Health Organization, to Atlanta where the doctor is being treated in an isolation unit at Emory University Hospital.
Just hours earlier the Foreign Office had urgently issued him with a new passport because his was incinerated with all of his belongings after he returned from Africa.
Mr. Pooley, from Suffolk, and the new patient, who has not been named, are said to be close friends after working together at the Ebola treatment center in Kenema, Sierra Leone.

Ebola outbreak: Survivor William Pooley is flown to US to give doctor with virus emergency blood transfusion.

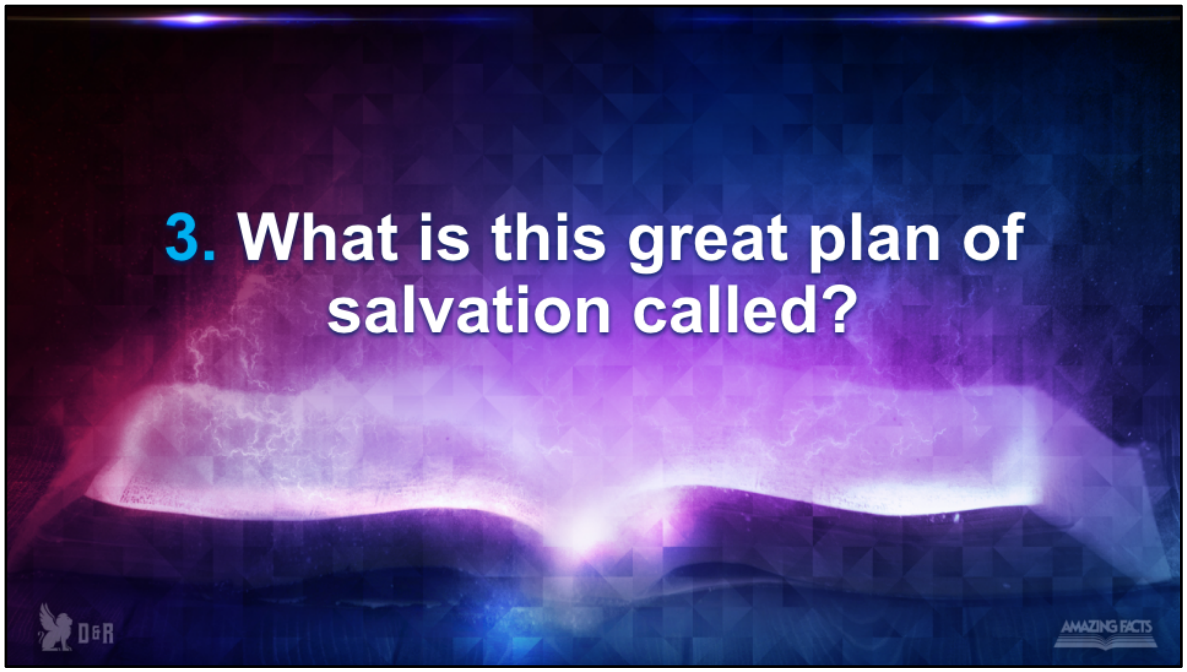

Subsequent patients, including Spanish nurse Teresa Romero, have been treated with blood from Ebola survivors.
It is believed that they may have some immunity to the virus.

AMAZING FACTS

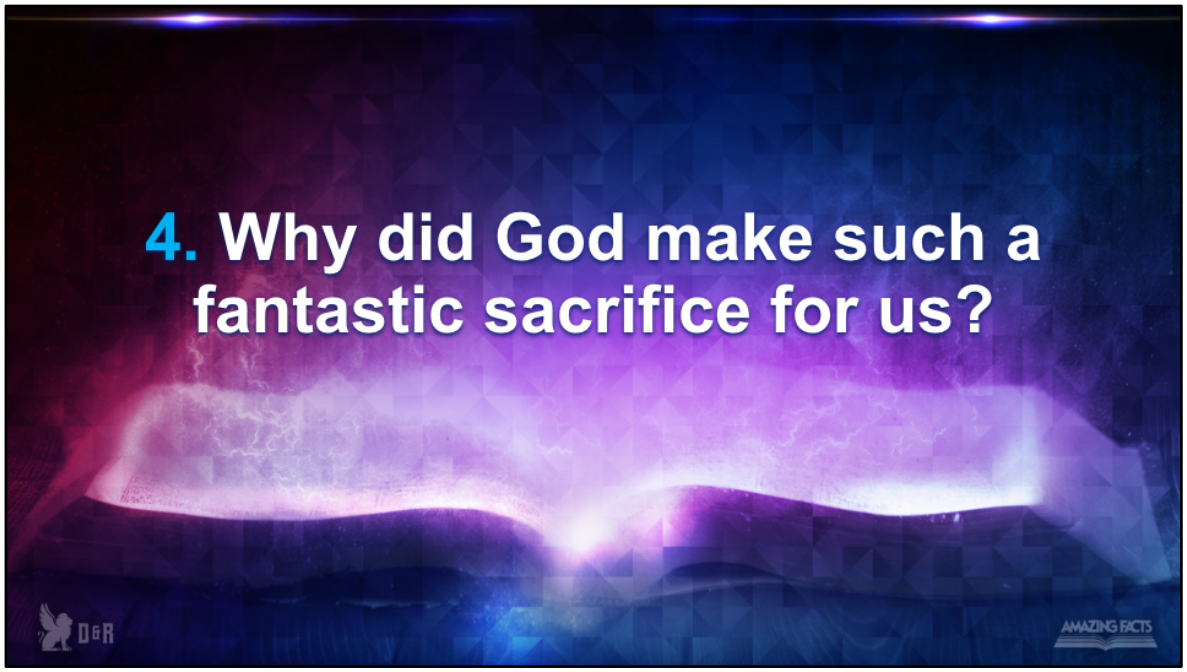

NOTE:

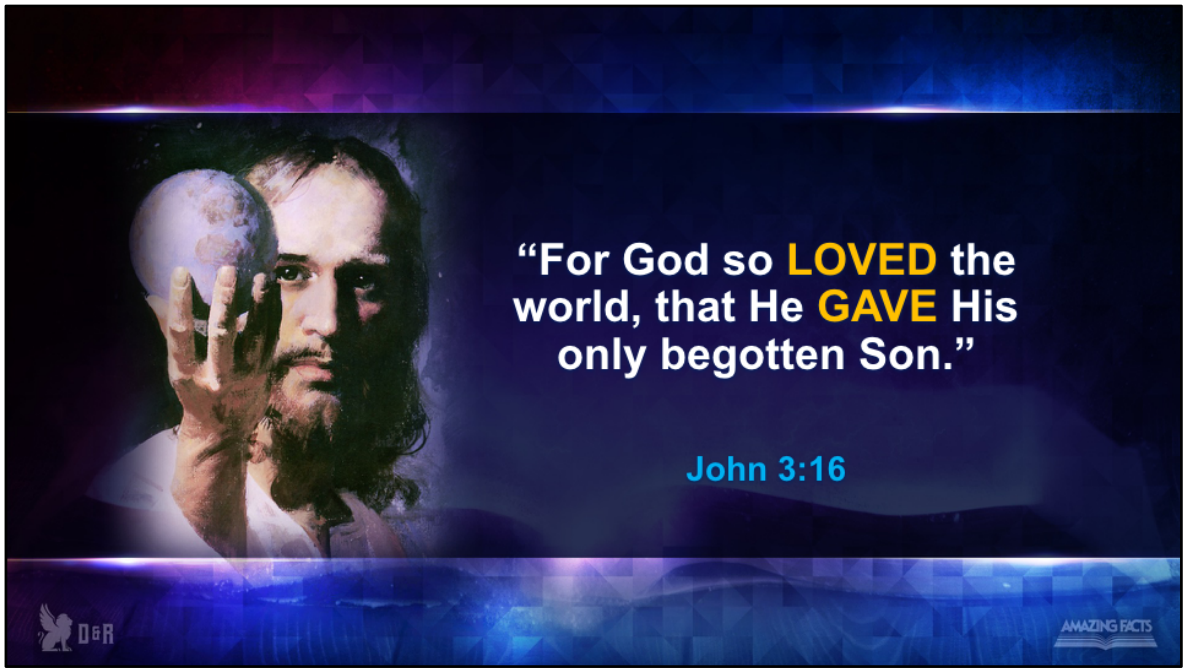

The Bible is priceless because it tells how sin entered the world and how it will be removed. God cannot tolerate the ugly malignancy of sin. The penalty for sin is death. And worse, when Adam and Eve sinned, this disease of death passed to the entire human race. God's law and the penalty for breaking it could not be changed, so all people were doomed. But God could not stand to be separated from His creatures. So, in an act of incredible love, He chose to send His Son into the world to die in your place and mine. Our sins and our death penalty were placed upon Him, and we were set free.

AMAZING FACTS

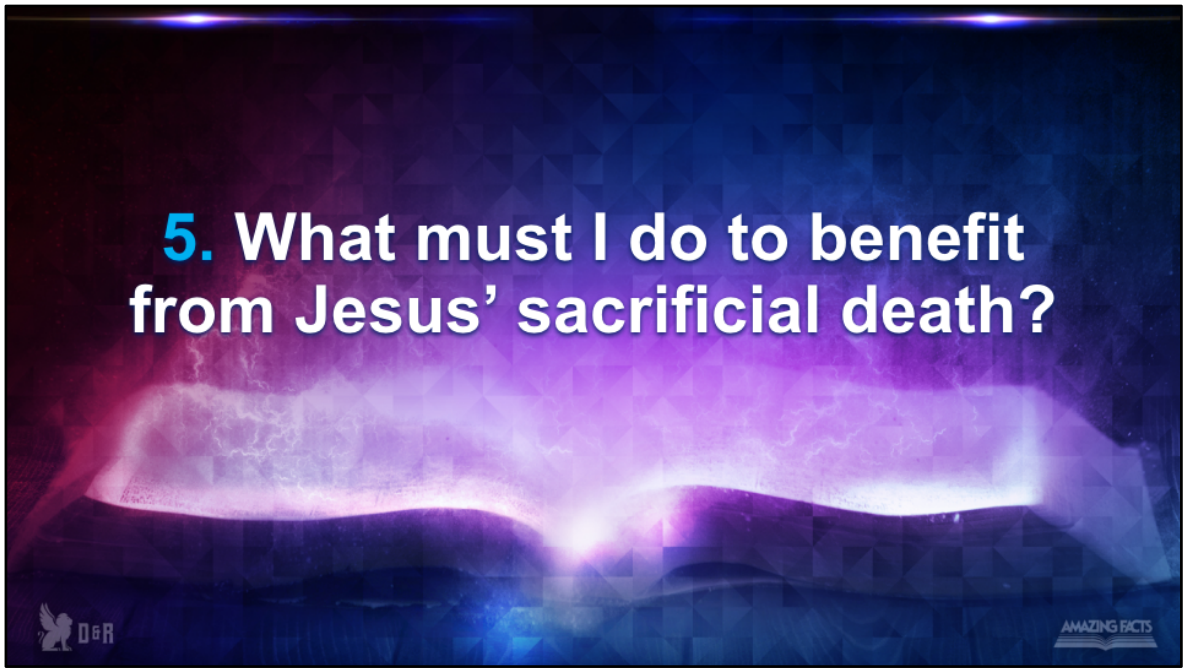

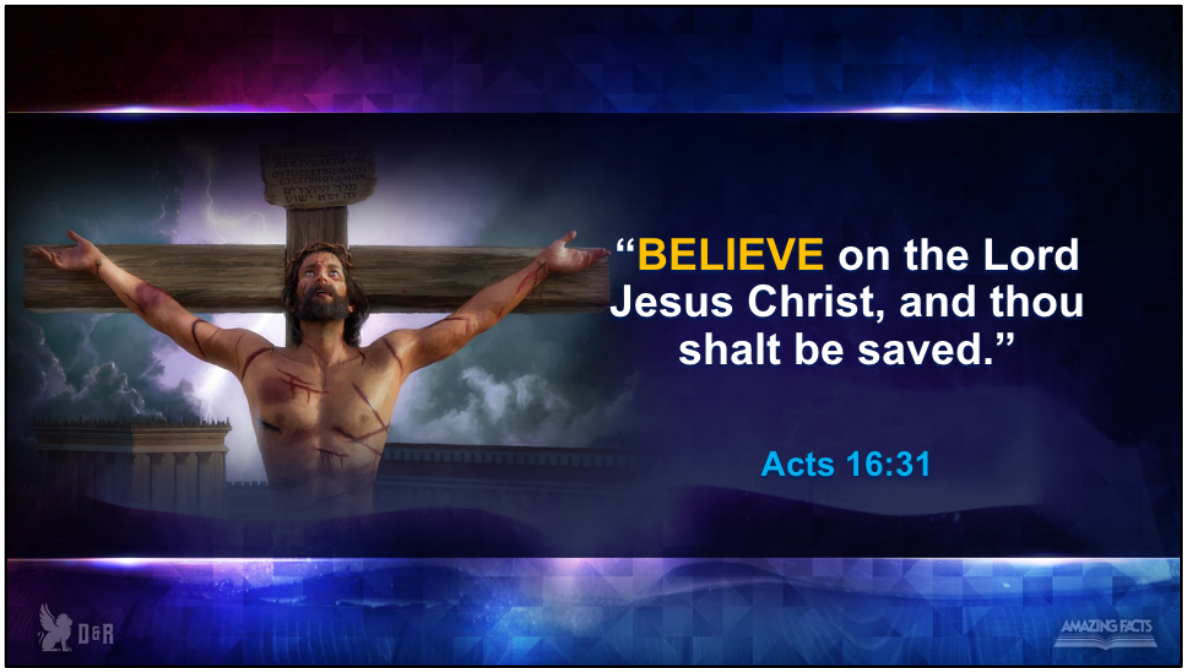

NOTE:
People often fail in Christian living because they accept Jesus as Saviour but not as Lord, or "ruler," of their lives. Most of us want to have our own way and to run our own lives. When we accept Jesus as Lord, we turn over the running of our lives to Him. We keep our hands off the steering wheel of our lives and ask Him to direct us.
